We specialize in Personal Service.*

**INTRODUCTION**

Kaye Lites, Inc. specializes in providing experienced Crews and the best Lighting & Grip equipment. We serve features, commercials, digital and still photographers, corporate events, documentaries, and industrials. Kaye Lites has served New England with lighting and grip rentals for over ten years. Now with offices in New Hampshire and Massachusetts, our trucks, vans, and skillful technicians will bring efficiency, convenience, and savings to your next shoot.

Our extensive rental inventory includes state-of-the-art dollies, generators and Flicker Free HMI ballasts. Our lighting products are from well known manufactures such as Kino Flo, Arri, Dedo-Tec, and Mole-Richardson. We pride ourselves on the new condition and quality of our American and Matthews grip gear, and we are always acquiring new, unique and versatile products to assist you.

Kaye Lites, Inc. offers *SEVEN* varied HMI packages, and our experienced rental staff will help you reserve the right equipment for your next shoot. We will assist you in selecting the package tailored to your unique creative and financial needs. You choose the size grip truck you want then mix and match the optional lighting packages. Our carefully designed Lighting & Grip packages offer appreciable savings and convenience over a-la-carte ordering. All delivered to your location by courteous and knowledgeable Gaffers & Grips.

Whether you just need a few items or a whole truckload we are here to serve you. Our commitment is to Quality Service and Satisfaction.

You can call 781-932-0005, fax us at 781-932-0006, or check out our web site at [www.kayelites.com](http://www.kayelites.com) for more information.

*Stephen T. Kaye  
President, Kaye Lites*

## FIVE TON TRUCKS

Designed to allow easy access to larger packages of lighting and grip equipment, these trucks have a heavy duty liftgate with a large, flat platform. The "level lift" makes it safe to quickly unload pre-loaded rolling carts. This spacious truck quickly services features and commercials.

- Choice of HMI Packages
- Large Lighting & Grip Packages
- Complete Expendables Package
- Six Grip & Electric Rolling carts
- Complete Spare Lamp Kit

Our driver, a skilled Grip or Electrician, is supplied for a reasonable fee. Mileage charge of 65 cents a mile includes fuel. Trucks carry fire extinguishers and first aid-kits.

### ROLLING CARTS

These rolling carts are included in the package price. More carts are available for an additional charge.

Grip "duz-all" Cart                      C-Stand Cart                      Cable Cart

#### TRUCK EXPENDABLES

For a complete list of the expendables that come with our various truck packages, please see page 12.

## TWO TON TRUCKS

Kaye Lites, Inc. provides a Two-Ton Truck to service corporate, industrial, and documentary productions. Newly redesigned and condensed, this slimmer version of our Three-Ton Truck provides discount packages of lighting & grip equipment for situations where a van is insufficient and the budget for a large truck package is a concern. This well-stocked and spacious truck carries a complete expendables package and, like our larger trucks, has plenty of room for our Fisher 11 Dolly and Honda 6500W Generator.

- Spacious truck interior
- New LTM and Arri single-ended HMI technology
- Comprehensive Lighting & Grip Packages
- Complete Expendables Package
- Complete Spare Lamp Kit

Our driver, a skilled Gaffer or Key Grip, is supplied for a reasonable fee. Mileage charge of 55 cents a mile includes fuel. Trucks carry fire extinguishers and first aid-kits.

## DOLLIES & CRANES

**Fisher Model Ten Dolly.....175.00**

This state-of-the-art dolly operates in crab, conventional and round mode. Boom height to 5' 3" without risers. With our 32 wheel skateboard kit, you can achieve the smoothest moves on all round rail track. Standard accessories include: 6" and 12" riser, 24" offset, shovel nose, 2 seats, 1 seat offset, and 6 sideboards.

**Fisher Model Eleven Dolly.....185.00**

Smaller and lighter than the Fisher Ten, the Eleven also has three mode steering. This dolly weighs only 320 lbs. and is only 39 5/8" long and 20 3/8" wide, with wheels in. Boom height is 4' 4". The Model Eleven operates on all round rail track. Standard accessories include: 2 seats, 2 low front boards, 2 high side boards, 2 low side boards, 12" riser, 24" offset, 2 lifting handles, 2 push handles, and low shot bracket.

**Super Panther Dolly.....225.00**

Highly adaptable camera support system capable of pre-programmed & repeatable pedestal moves. Works on track, studio floor, or pneumatic wheels. Wheel base is multi-configurable making dolly ideal for tight spaces. Standard accessories include: 2 seats, 4 seat extensions, 2 wheel lock bars, steering handle, battery, charger, 4 sideboards, remote camera mount, and 2 risers.

**Chapman Super Pee-Wee II Dolly.....200.00**

The Pee-Wee Dolly has a boom height to 4' 8" without risers. This dolly operates on round rail-track with integral bogey wheels. Standard accessories include: 12" riser, 24" offset, shovel nose, 2 seats, 2 seat risers, 4 sideboards, standing board and tracking bar.

**Skateboard Dolly.....65.00**

This easily portable dolly accepts speed rail rigs or traditional camera support. It is also a spacious 34" x 48" Jib Arm platform when used with optional speed rail kit and leveling head. Comprised of sturdy 1" thick platform, speed rail push bar and a 32 wheel skateboard kit allows this sled dolly to operate smoothly on all round rail track.

**American Doorway Dolly.....40.00**

This versatile dolly accepts tripod or hi-hat for camera support. Supplied with pneumatic tires, side boards, push bar, and tow handle. With accessory track wheels, doorway dolly will operate on straight round rail track. This dolly becomes a spacious Jib Arm platform when used with the 45° push-bar adapters.

**Doorway Dolly Track Wheels.....24.00**

**Doorway Dolly 45° Push Bar Adapters.....5.00**

### CRANES

All cranes must be operated by an approved technician.

Piccolo Crane.....300.00  
Curved Piccolo Crane Track.....20.00  
Starter Piccolo Crane Track.....10.00  
Tulip Crane.....400.00

### JIBS

#### Trovato Tote 36.....65.00

This ruggedly built, easy to set up jib, with 46" reach and 4' vertical, mounts on your heavy duty tripod or our skateboard dolly (*with our optional Speed Rail Leveling Head*). Handles film and video packages up to 75 lbs. Standard accessories include: Low profile head, 100mm Ball Mounting Ring, and weights.

#### Trovato Tote 48.....75.00

Same quality as the 36 but with 58" reach and 5' vertical. This unit mounts on a Mitchell tripod or a dolly. Handles film and video packages up to 75 lbs. Standard accessories include: Sachtler Receiver Head, and weights.

#### Trovato Quattro 60.....85.00

This exceptionally stable and smooth jib, with 84" reach and 6' vertical, is quick and easy to set up. The Quattro can handle the heaviest cameras. This jib can be mounted on dolly or pedestal. Standard accessories include: Mitchell Receiver Head, 45° Offset Plate, and weights.

### OPTIONAL TROVATO ACCESSORIES

## TERMS

### RENTAL PROCEDURES & POLICIES

Equipment should be reserved as far in advance as possible to ensure your specific needs. All orders are subject to equipment availability. Kaye Lites will inform you if additional charges are necessary in processing late orders. Minimum rental period is 1 day. Weekly rate is 4 times daily rate. Weekend use days are charged at the daily rate. Please pick up your rental orders after 2:00 PM and return all equipment before 11:00 AM to complete your rental period. All orders are considered "on hold" unless otherwise specified. Should a scheduling conflict arise regarding equipment that you have "on hold" we will contact you, and you may then choose to "book" or "release" your order. Any "booked" order that is subsequently canceled will be subject to cancellation charges equal to 1/2 of the order's price.

All prices and specifications are subject to change without notice.

### CREDIT

Unless other arrangements are made, you are required to establish an account with Kaye Lites to rent equipment. New customers should submit a completed credit application, allowing ample time for processing. The first order on a new account will be on a "payment on delivery" basis. Rentals without an account will be C.O.D. A deposit may be held against additional rental charges, losses, fees, etc. and will be refunded within two weeks after all equipment is returned in proper condition.

Payment on all accounts is Net 30 days. Interest will be charged at the rate of 1.5 percent per month on the unpaid balance after 30 days.

### LIABILITY

**1. Lease Commencement/Termination Dates:** The Lease will commence at 2:00 pm on the commencement date, and the Equipment is to be returned to the Lessors offices on or before 11:00 am on the termination date. Equipment not returned by that time will be charged an additional day. Equipment reserved but not picked up on the commencement date shall nevertheless be charged for that date. If not paid in advance, rent and other charges for each weekly period shall be due at the end of such week.

**2. Condition, Use; Repairs; Alterations:** LESSEE acknowledges having inspected the Equipment on checkout, that the LESSEE is satisfied that the same is fully functional and in good order and repair, and that LESSEE is leasing the Equipment from the LESSOR in an "AS IS" condition, and that no defect or unfitness shall relieve the LESSEE from the LESSEE'S obligation to pay rent, or any other obligation under this Lease. The LESSOR shall have no obligation to install, erect, test, adjust, repair or service the Equipment. LESSEE, at LESSEE's expense, shall keep Equipment in good working order and condition. LESSEE shall use Equipment in a careful and lawful manner, only for the purposes for which such Equipment was designed, and shall comply with all rules and regulations regarding the use thereof. LESSEE shall not make any alterations, additions, or improvements to Equipment without LESSOR's prior written consent. All additions, repairs, replacement parts, accessories, or improvements made to Equipment shall not be removed without LESSOR's prior written consent. LESSEE warrants that the Equipment will be used exclusively for business or commercial purposes, and will not be used for any personal, family or household purposes.

**3. No Warranties by Lessor.** Lessee acknowledges that the LESSEE has selected the Equipment for lease, and that the LESSOR

## TERMS

is not the manufacturer of the Equipment, nor the Agent of that manufacturer. LESSEE further acknowledges that LESSOR has made no warranty or representation whatsoever, either expressed or implied, including, but not limited to: (1) The fitness, design or condition of the equipment, (2) The merchantability of the equipment or its fitness for any particular use or purpose, (3) The quality, capacity of the Equipment, the materials used in the Equipment or the workmanship of the Equipment, (4) As to any latent defects in the Equipment, (5) As to any patent infringement, and (6) As to the compliance of the Equipment with any requirements of any law, rule, specification or contract.

**4. Loss or Damage.** LESSEE shall bear the entire risk of loss, theft, destruction, or damage of Equipment or any portion thereof from any cause whatsoever once the Equipment has left the LESSOR's place of business, whether or not insurance proceeds are recovered. Any insurance proceeds actually recovered (less the reasonable costs of recovery) shall be credited against the LESSEE's liability hereunder. The LESSEE's obligations hereunder are primary, and the LESSOR shall not be obligated to seek recovery of insurance proceeds through litigation. If any Equipment is totally destroyed, the liability of LESSEE to pay rent therefore may be discharged by paying the LESSOR all the rent due and to become due thereon, less the net amount of the recovery, if any, actually received by LESSOR from insurance or otherwise for such loss or damage. Except as provided in the preceding sentence, the total or partial destruction of any Equipment, or total or partial loss of use or possession thereof by LESSEE, shall not release or relieve LESSEE from the duty to pay the rent herein provided. LESSOR shall not be obligated to undertake, by litigation or otherwise, the collection of any claim against any person for loss or damage of the Equipment.

**5. Indemnity.** Lessee shall indemnify and save Lessor harmless from any and all liability, loss, damage, expense, causes of action, suits, claims or judgments (including reasonable attorneys fees) arising from injury to person or property resulting from or based upon the actual or alleged use, operation, delivery or transportation of any or all of the Equipment.

**6. Insurance Requirements.** No Equipment shall leave the premises of LESSOR until the LESSEE shall have delivered to the LESSOR a Certificate of Insurance evidencing coverage for the Equipment which complies with the terms of this Paragraph.

(a) **Property Insurance.** LESSEE shall obtain fire, theft and extended coverage insurance for at least "replacement value" on the Equipment, and shall provide such additional insurance as LESSOR may reasonably require. Such insurance shall in all events be sufficient to avoid coinsurance limits, and shall name LESSOR as loss payee, as its interests may appear, and shall provide that any amounts payable by loss or damage shall be payable directly to the LESSOR. LESSEE shall pay to LESSOR a cash deposit equal to the deductible, and the LESSEE shall in all events be responsible for the entire amount of the deductible. (b) **Liability Insurance.** In addition, LESSEE shall also, at LESSEE's own expense, carry occurrence type public liability insurance with respect to the Equipment and the use thereof in such amounts and with such insurers as are reasonably satisfactory to LESSOR, and such insurance policies shall also name LESSOR as an insured thereunder. (c) **General Requirements.** All such insurance shall be procured at the sole cost and expense of LESSEE. In the event the LESSOR is notified that the insurance provided by LESSEE has lapsed or been terminated prior to the return of the Equipment,

## TERMS

the LESSOR may procure insurance covering such Equipment and charge the cost of the same to the LESSEE. All insurance shall be placed with carriers reasonably acceptable to LESSOR, and shall provide that, and that the policy may not be cancelled or terminated without at least ten (10) days prior written notice to the LESSOR. (d) Optional Waiver. At the option of the LESSEE, and with the consent of the LESSOR (which the LESSOR may withhold in its discretion), the LESSEE may pay to the LESSOR a non-refundable property insurance waiver fee equal to the larger of (i) 20% of the rent due over the Lease term or (ii) Two Hundred Dollars (\$200.00), and the LESSOR will assume the risk of loss of the Equipment. This waiver shall not apply to the requirement to carry liability coverage pursuant to subparagraph (b) above.

**7. Ownership of the Equipment.** The Equipment is, and shall at all times remain, the property of LESSOR, and LESSEE shall have no right, title, or interest in or to the Equipment except as expressly set forth in this Lease. The Equipment is, and shall at all times remain, personal property notwithstanding that Equipment or any part of the Equipment may now be or hereafter become in any manner affixed or attached to real property or any building thereon. Lessee shall have no option to purchase or otherwise acquire title to or ownership of any of the leased equipment and shall have only the right to use the same under and subject to the terms and provisions of this lease.

**8. Default and Remedies.** If Lessee should fail to pay any rental payment or other sums due hereunder when due, or if a receiver shall be appointed for Lessee, or if any proceeding instituted by or against Lessee under the Bankruptcy Act including any proceeding for reorganization or arrangement, or if Lessee should otherwise become financially unable to continue its obligations under this Lease, Lessor, at its option, may by notice to Lessee, declare the entire unpaid rental and other sums payable by Lessee hereunder to be immediately due and payable, and in addition to and without prejudice to any other remedies, may, without court order or other legal process and without notice to Lessee, enter upon Lessee's premises or other location where the Equipment is located, and repossess and move the equipment. Such repossession shall not constitute a termination of this lease unless Lessor so notifies Lessee in writing. Lessee shall pay all costs and attorney's fees incurred in collecting, or attempting to collect, any sums owed under the lease or in securing possession of property and costs of transporting or reconditioning the property.

**9. General.**

(a) Lessor's failure to enforce strict performance by Lessee of any terms, warranties, covenants and promises herein, at any one instance shall not be construed as a waiver of any terms or conditions contained herein. This lease agreement shall be binding upon the parties hereto, their representatives and/or successors in interest.

(b) Lessee shall not lease, sublease, transfer, assign or otherwise encumber or remove the equipment from the Location specified on the cover sheet, or part with possession thereof.

(c) Applicable Law. This lease is entered into in the Commonwealth of Massachusetts, and shall be governed by, and construed under the laws of the Commonwealth of Massachusetts.

(d) This written Lease constitutes the entire agreement of the parties, and no oral agreement or understanding shall be binding unless expressly set forth herein. This Lease may only be amended or modified by a written instrument signed by the party to be charged.
